social housing

People come from many different backgrounds but each person has been on the brink of homelessness or have experienced it. All have lived on a very low or low income and unfortunately many have experienced domestic violence and/or other trauma in their life.

Safe and affordable housing provides an opportunity for people to get back on their feet and thrive in their community.

key features

- ✓ a mix of one, two and three-bedroom homes
- ✓ Double glazed windows, high grade insulation & cross ventilation to reduce energy costs
- ✓ subsidised rent of 25% of income + rent assistance
- ✓ located walking distances to transport, parks and amenities such as shopping and health services
