

## I Got Built

If you've been thinking about a hands-on career, but don't know where to start, we can help.

MEGT is proud to offer young Indigenous Australians an opportunity to 'earn and learn' by joining our 'I Got Built' program, which is a great way of getting qualified to get a job in Australia's construction industry.

## What is I Got Built?

'I Got Built' gives you hands-on experience and a nationally recognised qualification in construction, so you have the skills and confidence to begin a great career.

Construction industry professionals will help guide you through a program which, once successfully completed, earns you a Certificate II in Construction. It is only available to 17 participants across South Australia, so make sure you register your interest today!

MEGT has partnered with the Government of South Australia (SA Housing Authority), Indi Services and Carey Training (RTO No: 140100) to deliver this exciting opportunity.

The I Got Built program is funded by the Government of South Australia – Department for Innovation and Skills.

## Ready to get qualified?

'I Got Built' offers a great kickstart to your construction career, which includes:

- On the job training from qualified professionals
- Real, industry-relevant work experience while you study
- In-demand skills and experience to help you find employment

Upon completion of the program, you will have successfully completed a Certificate II in Construction (CPC20113).
